EASY CANNED FOOD COOKIES

INGREDIENTS

1 – 13.2oz can of pate-style, grain-free dog food
2 cups – Red Mill Gluten Free All Purpose Baking MIX (or regular white flour)
1 egg
1 tsp. baking powder

HOW WE DO IT:

Preheat oven to 350F. Lightly grease a baking sheet with olive oil.

Mix all ingredients together. No seriously. That's it. Just mix them together.

Using a #140 Ice Cream Scoop place dough on the cookie sheet (or use your hands to form 1" balls, like you're making peanut butter cookies). Use a fork to press down each cookie ball. Place in oven and back for 17 – 20 minutes, until golden brown on the bottom. Store in the fridge.

For a fully crunchy biscuit that will keep longer, turn the oven down to 200F and bake for 4 hours. Turn off oven and leave to cool overnight.
